Dear Brine Shrimp Harvester:

The 2019-2020 brine shrimp harvest season will officially be closed on January 31, 2020 at 5:43 pm MST (official sunset) in both the North and South Arms (lake and shore) pursuant to Rule R657-52-12. Harvest may continue on the salt ponds but must still be reported to the UDWR in the same manner as during the regular season.

****Please remember to remove all debris and trash from the shore and lake resulting from harvesting activity.**

Thank you for your support of our work here at The Great Salt Lake Ecosystem Program.

Sincerely,

John Luft
