

**NOTICE OF EMERGENCY CHANGES  
TO THE 2020 UTAH FISHING GUIDEBOOK  
OF THE WILDLIFE BOARD FOR THE TAKING  
OF FISH AND CRAYFISH**

I, Michal D. Fowlks, by authority granted in Section 23-14-8 of the Wildlife Resources Code of Utah declare an emergency amendment to the 2020 Utah Fishing Guidebook. The following has been amended:

**Bullock Reservoir, (Uintah County):**

- NO LIMIT any species

This change is effective August 13, 2020 and will remain in effect until November 1, 2020.

The outlet gate on Bullock Reservoir requires servicing. In order to reach the gate, the reservoir must be drained. This change will allow anglers to harvest more fish in an effort to reduce the fish kill that will result from the reservoir drawdown.

All other rules established in the 2020 Utah Fishing Guidebook remain in effect.
