

**NOTICE OF EMERGENCY CHANGES
TO THE 2020 UTAH FISHING GUIDEBOOK
OF THE WILDLIFE BOARD FOR THE TAKING
OF FISH AND CRAYFISH**

I, Michal Fowlks, by authority granted in Section 23-14-8 of the Wildlife Resources code of Utah declare an emergency amendment to the 2020 Utah Fishing Guidebook. The following has been amended:

Nine Mile Reservoir (Sanpete County)

The daily bag limit and possession limit for all trout species from the Nine Mile Reservoir has been removed until December 31, 2020.

The Nine Mile Reservoir will be drained this fall to facilitate repairs on the outlet valve works. Low water levels and/or freezing conditions will result in the loss of sportfish left unharvested.

These changes are effective immediately and will remain in effect until December 31, 2020. All other rules, established in the 2020 Utah Fishing Guidebook remain in effect.

UTAH DIVISION OF WILDLIFE RESOURCES
