

**NOTICE OF EMERGENCY CHANGES  
TO THE 2019-2020 UTAH FISHING GUIDEBOOK  
OF THE WILDLIFE BOARD FOR THE TAKING  
OF FISH AND CRAYFISH**

I, Mike Fowlks, by authority granted in Section 23-14-8 of the Wildlife Resources code of Utah declare an emergency amendment to the 2019 Utah Fishing Guidebook. The following has been amended:

**Wasatch Mountain State Park Community Fishery (Midway, UT)**

- **The daily bag limit and possession limit for sportfish from the community fishery (trout and wiper) has been removed.**

The Wasatch Mountain State Park Community Fishery will be drained this fall to facilitate removal of illegally introduced goldfish, dredging of the pond, and the creation of a fishing pier. Low water levels and/or freezing conditions will result in the loss of sportfish left unharvested.

This change is effective immediately as of November 19, 2019 and will remain in effect until December 31, 2020.
