

**NOTICE OF EMERGENCY CHANGES
TO THE UTAH FISHING PROCLAMATION
OF THE WILDLIFE BOARD FOR THE TAKING
OF FISH AND CRAYFISH 2022**

I, Justin Shirley, by authority granted in Section 23-14-8 of the Wildlife Resources code of Utah declare an emergency amendment to the 2022 Utah Fishing Proclamation. The following has been amended:

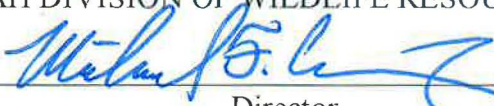

Anderson Meadow Reservoir, Beaver County
-Limit 16 fish

These changes are effective immediately and will remain in effect until December 31, 2022.

A broken gate in the dam prompts this emergency regulation change. The gate is stuck in a partially open position and this will result in the draining of the reservoir. The gate cannot be fixed until the reservoir completely drains. This emergency regulation change provides the public with the opportunity to harvest additional fish ahead of the complete draining of the reservoir.

All other rules established in the 2022 Utah Fishing Proclamation remain in effect.
