Do you have any additional comments about the black bear proposals?

Cut tags in each unit
No pursuit tags during hunts
Have been bear hunting last 10 years not many mature animals taken to many hunters and no enough mature animals
When will utah quit thinking 2 and 3 year old is mature

Which best describes your position regarding the elk unit plan updates?

Strongly disagree

Do you have any additional comments about the elk unit plan updates?

You should increase numbers on yellowstone because your numbers don't reflect half these elk are the ute tribes
And evidently you have not been on mountain there are few elk on white man ground
Vernal south slope should be increase also there are no elk
Bottom line you half the elk you think you got
Need too limit hunters per unit like deer tags
Maybe try dedicated hunter program for elk
For the love of God get rid of spike hunts or limit it on hunters also
